

Protein 4-Helping Others

For food banks, meat continues to be the most in demand food item, with one of the highest costs to obtain.

Protein 4-Helping Others provides high quality protein to El Paso County's less fortunate.

Every year the Colorado Springs Rescue Mission serves an average of 200,000 meals

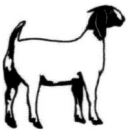

One 1,200 lb steer provides ~ 980 meals

One 250 lb pig provides ~ 240 meals

One 120 lb lamb provides ~ 96 meals

One 80 lb goat provides ~ 76 meals

Protein 4-Helping Others

How it works

- Sponsored funds will be used to cover the market price and associated processing fees for those animals designated for buy-back during the Junior Livestock Sale at the El Paso County Fair.
- The meat will then be donated to the Colorado Springs Rescue Mission.
- The 4-H members will see that their food products went directly into the local community and supported the less fortunate.
- Your donation/sponsorship will be tax deductible.

Impacts

- Serve as a model of service for 4-H youth.
- Supply a much needed protein source to the hungry at the Colorado Springs Rescue Mission.
- Meat will be used as an educational tool in the culinary program at the Springs Rescue Mission.

Wish to make a contribution or learn more about the program?

Please call or email Cheryl Nunnali
